- Led FGDs for the ERP program for over 200 teachers and students demonstrating strong interpersonal and analytical skills.
- Collected and documented key data.

## PROJECTS

---

### FLESHLi Agri-Mission Project

- FRESHLi is a platform that empowers Rwandan farmers by allowing them to showcase their products and connect directly with buyers. This approach eliminates the need for middlemen, who often reduce farmers' earnings and create a need for more price transparency.

## HONORS AND AWARDS

---

- Selected to represent the school in Pi Day (math competition) at the provincial level.
- Awarded 2nd Best Speaker in the East African Debate, 2018
- Represented Rwanda and Agahozo Shalom Youth Village (ASYV) in the Yale Young African Scholars Program in Zimbabwe, 2019, part of the STEM cohort.
- Received the Imbuto Foundation recognition and certificate as one of the top winners in the national exam 2015.

## EXTRA-CURRICULAR ACTIVITIES

---

- Youth Leadership and Volunteerism-AIESEC in Rwanda.
- CMU CS1 Programming

## LEADERSHIP

---

Actively involved in coordinating and overseeing exchange programs and leadership initiatives, impacting over 50 EPs annually.
